Eastern County

What is Blythe Doing?

The city of Blythe is known as the “first sunrise in California”. With a California desert climate, Blythe offers hiking and other recreational activities in neighboring desert including water sports on the Colorado River. Blythe also comes alive with popular events such as Colorado River Country Music Festival and Family Fairs. Summer programs for children at the Joe Wine Blythe Recreation Center are available and provide a wide variety of activities to keep children active and learning. For more information contact staff at the recreation center by calling: 760-922-4266 and up to date events visit: <http://www.cityofblythe.ca.gov>.
